

Watch Your Energy Bills Shrink! **We do all the work... and you reap the benefits**

Use Less Energy

- **Reduce your consumption with UtilityModule, the nation's most technologically advanced system of energy management tools:**

- Budgeting
- Cost Tracking
- Email Alarms
- Savings Analysis
- Optional Upgrades for Water and Sewer

- **Get customized, free advice from experienced energy experts**

- **Save BIG with:**

- Energy Audits
 - Demand Response Programs
 - Energy-Efficiency Analysis
 - Utility Subsidies for Capital Improvements
- See website for details!

Pay Lower Rates

- Unite with thousands of local businesses to enjoy unmatched buying power
- Get the best available electric and natural gas rates the market has to offer through Energy Auction, our exclusive, internet-based auction process. When energy suppliers compete... you win!
- Optimal groupings are achieved by placing each participant in separate pools based on business size and type, as well as load profile characteristics
- Lock-in your rates and gain the peace of mind that only long-term price certainty and budget stability provide
- Join either a "time-sensitive" buying pool or a "price-sensitive" buying pool depending on your individual needs
